# THE 2004 J&P CYCLES®/ STREET CHOPPERS BUILD-A-BIKE WINNER IS... VICTOR TURCHIARELLI OF SARASOTA, FL

"I just really couldn't believe that I had won!" Said Victor, I was actually quite skeptical until I called and confirmed everything with J&P. I sent all my paperwork back to Street Choppers and coordinated with J&P® to have the bike shipped soon after. Being from Florida, Victor could not make the trip to J&P Cycles® in Anamosa, IA... never fear!! We soon shipped out the motorcycle to Victor in Florida. And after two agonizing weeks of waiting, the shipping company arrived with his beautiful prize! "I can't wait to ride it!" Victor exclaimed. "This is fantastic!"

Victor has been a customer of J&P® in the past and loves to read Hot Bike Magazine. "I am so grateful to J&P® for this fabulous motorcycle! I was going to build a bike this winter and now I have this awesome ride!"

A big thanks goes out to Victor for being so patient to receive his prize... and for being so great to work with. We are thrilled for Victor and hope he enjoys his bike for a lifetime!!

THANKS again goes out to the following sponsors for contributing to this great project bike.
