# TOGETHER AGAIN IN 2006!

FOR IMMEDIATE RELEASE - February 13, 2006 - Anamosa, IA

J&P Cycles® is proud to announce that it has teamed up once again with the show Corbin's Ride-On® for their 2006 season. Members of Bradley David Productions (producers of Corbin's Ride-On®) were on hand at J&P® from January 16 - 20 to film 11 feature segments.

"We are very excited to be working with J&P® again this year," said CRO producer Mike Alvey. "It gives us a chance to show off J&P Cycles® fantastic selection of parts and accessories for motorcycles. At the same time we can provide viewers with wrenching information and installation tips from the knowledgeable, experienced technicians and mechanics at J&P®."

Five segments will cover a complete "Motorcycle Makeover" on a stock 2006 Kawasaki Vulcan. The new Vulcan will also serve as the J&P Cycles® 2006 Metric Catalog cover bike. All the parts used to customize this bike will be available in our new Metric catalog (which is due out the middle of April) and the bike can be seen throughout the year at events J&P Cycles® will be attending.

The other 6 segments cover a complete custom bike build of a 2006 Retro Bobber. And to add a little twist, this beautiful retro bobber is being built by J&P Cycles® and given to the National Motorcycle Museum to use as their 2006 raffle prize. "The premise of both projects is simple," said J&P Cycles® President John Parham. "To show that with a little time and elbow grease, you too can easily customize your own bike with the thousands of parts available from J&P Cycles® Harley® and V-twin Metric Cruiser & Sportbike Catalogs."

Segments will air throughout the Corbin's Ride-On® 2006 season starting February 21st on Speed Channel. Check out the segments and see J&P Cycles® fantastic product selection highlighting products from nationwide distributors including Avon Tyres®, Baron Custom Accessories, Vance & Hines®, Kuryakyn™ and Performance Machine.
