THANK YOU FOR CHOOSING KÜRYAKYN!

PLEASE NOTE

It is the installers' responsibility to make sure all fasteners (including pre-assembled) are tightened before operation of motorcycle. Kuryakyn will not warranty components that are lost due to improper installation. Periodic maintenance may be required.

TOOLS SUGGESTED

Allen wrenches, 7/16" socket or wrench.

ATTENTION! A stock Harley-Davidson license plate mount is shown in the following procedure; your license plate mount may vary but the procedure is the same.

PROCEDURE

STEP 1 On the stock license plate bracket, loosen the top clamp fastener and remove your license plate. See PIC.1.

STEP 2 Place the backing plate over the license bracket and center the backing plate on the license plate bracket. Adjust the top clamp to fit the backing plate. Tighten the top clamp fastener.

LIMITED WARRANTY

Kuryakyn warrants that any Kuryakyn products sold hereunder, shall be free of defects in materials and workmanship for a period of one (1) year from the date of purchase by the consumer excepting the following provisions:

- Kuryakyn shall have no obligation in the event the customer is unable to provide a receipt showing the date the customer purchased the product(s).

- The product must be properly installed, maintained and operated under normal conditions.

- Kuryakyn makes no warranty, expressed or implied, with respect to any gold plated products.

- Kuryakyn shall not be liable for any consequential and incidental damages, including labor and paint, resulting from failure of a Kuryakyn product, failure to deliver, delay in delivery, delivery in nonconforming condition, or for any breach of contract or duty between Kuryakyn and a customer.

- Kuryakyn products are often intended for use in specific applications. Kuryakyn makes no warranty if a Kuryakyn product is used in applications other than intended.

- Kuryakyn electrical products are warranted for one (1) year from the date of purchase by the consumer. Components of Kuryakyn products containing L.E.D.s will be warranted for defects in materials and workmanship for 3 years from the date of purchase.

- Kuryakyn makes no warranty of any kind in regard to other manufacturer's products distributed by Kuryakyn. Kuryakyn will pass on all warranties made by the manufacturer and where possible, will expedite the claim on behalf of the customer, but ultimately, responsibility for disposition of the warranty claim lies with the manufacturer.

STEP 3 Determine the orientation of the signal plates. You can mount the plates on either side of the license plate bracket, depending on whether you want the accessory light mounts on the top or on the bottom. See [PIC.2](#) and [PIC.3](#). You can also mount the signal plates to face toward the front or rear of the bike.

STEP 4 Place the signal plates behind the backing plate, then place your license plate over the backing plate. Secure the assembly with the provided fasteners See [PIC.4](#).

STEP 5 Mount your accessory lights (not included) to the signal plates. Refer to your accessory lights installation instructions for specific information.

STEP 6 Check that all fasteners are secure before riding.

Ride On!
