

SPEAR MINI BOARDS WITHOUT ADAPTERS

5652

Thank You For Choosing Kuryakyn!

Protect yourself and others from potential injury and property damage or loss. Pay close attention to all instructions, warnings, cautions, and notices regarding the installation, use, and care of this product.

WARNING

THIS INDICATION ALERTS YOU TO THE FACT THAT IGNORING THE CONTENTS DESCRIBED HEREIN CAN RESULT IN POTENTIAL DEATH OR SERIOUS INJURY.

NOTICE

This indication alerts you to the fact that ignoring the contents described herein may negatively affect product performance and functionality or damage the product itself or the product to which it is being attached.

ENSURE THAT THE FOLLOWING PARTS HAVE BEEN INCLUDED IN THE KIT:

- 1 Right Side Spear Mini Board
- 1 Left Side Spear Mini Board
- 1 Hardware Kit containing:
 - 2 Flat Washers
 - 2 Screws

YOU WILL ALSO NEED:

Set of hex wrenches, combination wrenches

NOTICE

These installation instructions contain important information. Ensure that the end user receives this copy and is aware of its importance for future use.

- STEP 1** Read and understand all steps in the instructions before starting the installation. Park the motorcycle on a hard, level surface and turn **IGN OFF**. Allow the engine and exhaust system to cool.

WARNING

THE END USER'S SAFETY DEPENDS UPON PROPER INSTALLATION OF THIS PRODUCT. IF A STEP IN THESE INSTRUCTIONS IS NOT WITHIN YOUR CAPABILITIES OR YOU DO NOT HAVE THE CORRECT TOOLS, HAVE YOUR DEALER PERFORM THE PROCEDURE. IMPROPER INSTALLATION OF THIS PRODUCT COULD RESULT IN DEATH OR SERIOUS INJURY.

BEFORE RIDING, ENSURE THAT THE INSTALLATION OF THIS PRODUCT DOES NOT INTERFERE WITH THE PROPER OPERATION OF THE MOTORCYCLE.

THE BOARDS MUST BE INSTALLED SO THEY WILL FOLD UPWARD AND REARWARD IF THEY COME IN CONTACT WITH ANY OBJECT. FAILURE TO INSTALL AND ADJUST THE BOARDS TO OPERATE IN THIS MANNER MAY CAUSE LOSS OF CONTROL RESULTING IN SERIOUS INJURY OR DEATH.

PRE-INSTALLATION CONSIDERATIONS: The Mini Boards were designed to be used in many different locations on a variety of motorcycles. These installation instructions contain specific mounting procedures as well as general guidelines for comfortable and safe installation of the boards.

Driver footboard applications: Ensure that the installation of the boards does not prohibit the proper function of the gear shifter or rear brake pedal. You may only be able to use the middle or front mounting hole to keep the board from extending too far forward thereby reducing gear shifter or brake pedal clearance.

Passenger footboard applications: The boards can be installed so that they fold up in the stow position. Ensure that, when folded back, the boards do not contact any part of the motorcycle and that they remain in the stowed position during operation of the bike.

INSTALL FOOTPEG ADAPTERS: Refer to the installation instructions included with the new footpeg adapters.

INSTALL THE MINI BOARDS:

NOTE: Refer to PIC 1. Locate the brake-side (right) Mini Board installation.

Refer to PIC 2. Determine which of the three splined mounting holes will best suit you BEFORE continuing on.

STEP 2 Position the Mini Board on the footpeg adapter. Install the included 5/16" screw with flat washer, through the Board and into the adapter.

STEP 3 Thread the screw into the Adapter until it is snug. Ensure that the Board is able to fold upward and rearward.

STEP 4 Ensure the splines on the Board and Adapter are engaged and tighten the screw securely.

STEP 5 Repeat STEPS 2 through 4 for the clutch-side (left).

ADJUST THE MINI BOARD ANGLE:

STEP 6 Loosen (but do not remove) the 5/16" screw. PIC 2 Adjust the angle to the desired position. Ensure that the splines are engaged and retighten the screw.

STEP 7 Fold the board up and ensure that it does not contact any part of the bike. Adjust if necessary.

NOTICE

It is the end user's responsibility to ensure that all fasteners (including pre-assembled) are tightened before operation of the motorcycle. Kuryakyn will not provide warranty coverage on products or components lost or damaged due to improper installation or lack of maintenance. Periodic inspection and maintenance are required on all fasteners.

LIMITED WARRANTY

Kuryakyn warrants that any Kuryakyn products sold hereunder, shall be free of defects in materials & workmanship for a period of one (1) year from the date of purchase by the consumer excepting the following provisions:

1. Kuryakyn shall have no obligation in the event the customer is unable to provide a receipt showing the date the customer purchased the product(s).
2. The product must be properly installed, maintained & operated under normal conditions.
3. Kuryakyn shall not be liable for any consequential & incidental damages, including labor & paint, resulting from failure of a Kuryakyn product, failure to deliver, delay in delivery, delivery in nonconforming condition, or for any breach of contract or duty between Kuryakyn & a customer.
4. Kuryakyn products are often intended for use in specific applications. Kuryakyn makes no warranty if a Kuryakyn product is used in applications other than intended.
5. Kuryakyn electrical products are warranted for one (1) year from the date of purchase by the consumer. L.E.D.'s contained in components of Kuryakyn products will be warranted for defects in materials & workmanship for 3 years from the date of purchase whereas all other components shall be warranted for one (1) year.
6. Merchandise purchased directly from Internet auction sites or any other third party seller is considered sold as is & shall not carry a Kuryakyn warranty. All warranty claims must be directed to the original seller. If unsure please contact the seller to verify they are an authorized Kuryakyn retailer.

RETURN POLICY

Merchandise determined to be defective may be returned up to one year from the date of purchase. Returns must be processed through original seller. Returned merchandise for any other reason other than warranty claims must be in like new condition & subject to a 20% restocking fee. All returns are subject to inspection for determination of full or partial credit. Any returned part that shows evidence of being used or installed contrary to manufacturer's instructions, &/or subjected to improper handling, packaging or return shipping by the customer, will not be eligible for exchange, refund or warranty consideration. All returned electrical items will be inspected & tested. If electrical item is deemed functional, no credit will be issued & item will be returned. All sales are final on discontinued or closeout merchandise.
