

**2015+ YAMAHA FJ09 / MT09 Tracer
FRONT SEAT INSTALLATION INSTRUCTIONS**

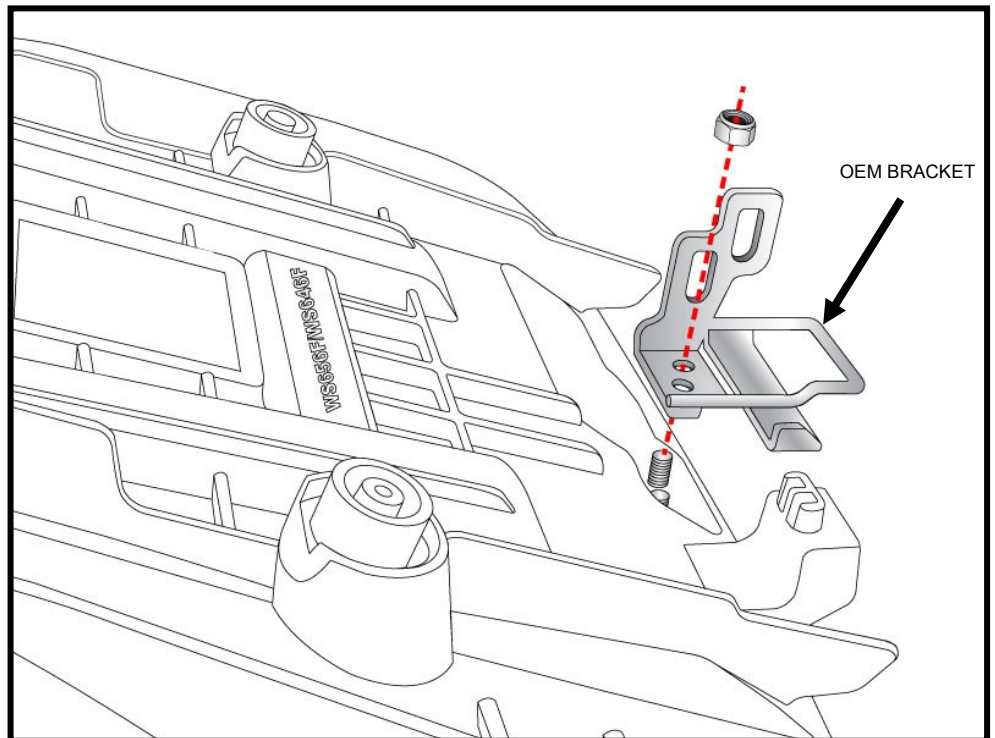

⚠ IMPORTANT:

Before the Sargent Seat can be installed, the front seat OEM latching bracket must be transferred to the Sargent Seat.

Tools Required: 10mm Socket or Wrench

Installation:

1. Transfer the front seat OEM latching bracket to the Sargent Seat as indicated below:

2. Install your new Sargent seat the same way you would your OEM seat and adjust seat height per your user's manual.
