## **V3 FRAME SLIDERS KIT 2.0**

## **KTM DUKE 390**

year of production: ALL product code: SR217

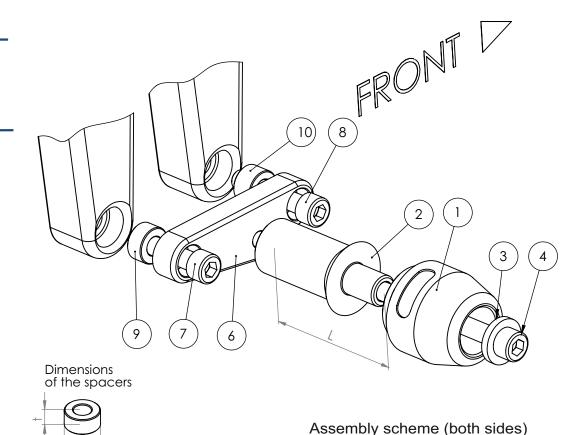

Assembly positions. Left and right sides

## Assembly instructions

- 1.Please check the assembly positions on the image above. Remove the original bolts indicated with the arrow on the image obove.
- 2. Replace the original bolts with the new mounting bolts (parts #7, #8), spacers (parts #9, #10) and metal adapters (parts #6) and put these parts in the right order shown on the assembly scheme on the right page. Put the adapters (parts #6) in the right positions according to the assembly scheme.
- 3. Assemble the sliders, round cylindrical bodies, the bolts and steel sleeves (parts #1, #2, #3 and #4) according to the drawing on the right page. Put them into the threaded holes in the adapter (part #6).

We suggest to use the threadlocker (eg. Loctite®) to make sure that the vibrations of the engine do not loosen the bolts.

Legal note. This product is a professional accessory to be used on the race track. Neither manufacturer, nor Seller take responsibility for any damages occurred despite of using protective accessories. For more information go to vortexracing.com

| Part # | Part name              | Left side (as You sit on the motorbike) | Right side           |
|--------|------------------------|---|----------------------|
| 1      | Slider                 | 1 pcs.                                  | 1 pcs.               |
| 2      | Round cylindrical body | L = 80 mm                               | L = 80 mm            |
| 3      | Steel sleeve           | 1 pcs.                                  | 1 pcs.               |
| 4      | Allen bolt (8,8 class) | M10x100 mm                              | M10x100 mm           |
| 5      | Spacer                 | -                                       | -                    |
| 6      | Adapter                | Steel                                   | Steel                |
| 7      | Mounting bolt 1        | M8x40                                   | M8x40                |
| 8      | Mounting bolt 2        | M8x40                                   | M8x40                |
| 9      | Spacer 1               | t = 20 mm, d = 10 mm                    | t = 20 mm, d = 10 mm |
| 10     | Spacer 2               | t = 20 mm, d = 10 mm                    | t = 20 mm, d = 10 mm |
| 11     | Nut                    | -                                       | -                    |
| 12     | Washer                 | -                                       | <del>-</del>         |
